Tri State ToolCo is a national distributor of quality air and hydraulic tools for industrial applications. Our goal is to provide the highest quality products to our customers that will endure the rigors on site and in the factories. We partner with the strongest manufacturers in the field. They include Chicago Pneumatic, Enerpac, Power Team and Titan, just to name a few. In addition, we supply complete hose assemblies and safety gear for all applications.

Chicago Pneumatic represents tools and compressors that are engineered for high performance. In addition to pioneering design, high-impact technology, and durability, Chicago Pneumatic means customer value.
